Personal Statement (1-page maximum)

Dear Madame, dear Sir,

I am pleased to renew my application as At-Large Member of the Region VIII Advisory Committee.

I have been part of **NCURA** since 2019, experiencing the valuable contribution that the organization offers in the field of research administration both nationally and globally.

Throughout my NCURA membership I have had the privilege of serving in various roles, including At-Large Member of the Region VIII Advisory Committee, Member of the Education Scholarship Fund Select Committee, and Co-Lead for the Global Track of the 66th Annual Meeting. In addition, I have presented at multiple Annual Meetings, and written for the NCURA Magazine. However, of all my contributions, I am most proud of my participation in defining the Region VIII Strategic Plan for 2024/28.

A few words about my background.

In 2006 I joined **Bocconi University** (Milan, Italy), being now the **Head of the Research Services**. I support the Dean for Research and the Dean for Digital Transition, focusing on research policies and compliance, research support services, research evaluation, as well as innovation in scientific research.

In the past I have been in charge of Pre-Award, Post-Award and of the relationships with the European Union (as I was previously working in Brussels with the EU Institutions).

Beyond NCURA, I serve the **European Association of Research Managers and Administrators** (EARMA) as member of the Policy and Representation Committee (two terms, being now Deputy-Chair). Over the years, I also contributed as Volunteer Expert Evaluator of the EARMA Annual Conference Program Committee.

Additionally, I have been an active member of the **Italian working group of Research Managers** for the last 10+ years.

Summing up, **I hope you will support my application** as At-Large Member of the Advisory Board of the Region VIII for the next two-year period. I would be honored to continue actively contributing to NCURA, as I truly believe in the importance of the work carried out by **our association** for our profession.

Thank you for your attention.

Yours faithfully,

Luigi Pellegrino
